Tales for Titania

I was delighted to attend the recent drama production by the Remove, their charming performance of three fairytales from fairyland. It was lovely to see every single girl taking part and I know they enjoyed preparing and performing this piece. Well done, Remove!

Red Girdles

Those of you who are Old Girls will know about the tradition of awarding "Red Girdles" to those girls whose department is particularly good. Though this might seem an old fashioned concept, the principles of neat presentation and orderly conduct are ones that remain important and that we continue to value. We were pleased to award Red Girdles at the end of the Michaelmas Term to:-

Music matters from Mr Henderson

"Miss Elizabeth Willcocks joined the Music Department in January and she is teaching all the Remove classes. She is looking forward to meeting you at parents' evening, but please bear in mind that Miss Willcocks did not teach your daughter last term! She tells me that she is delighted with the positive attitude of the girls, and especially their enjoyment of class singing.

I'd also like to remind parents that we still have a few vacancies for drum kit, electric and classical guitar and piano tuition. Any parent wishing to know more about this should contact me at jhenderson@ladiescollege.sch.gg

If your daughter will be participating in any of the solo classes in the Music Eisteddfod which take place during the school day, please ensure that you have contacted the school office to request the necessary time off.

Finally, please can I remind parents whose daughters are learning an instrument to name the instrument case? It's very difficult if I get asked to search for 'a flute in a black case' as they all look pretty much identical without a name on the case!"

Felsted Trip

Thank you to the girls (and parents) who hosted the Felsted girls during their tour to Guernsey. They had a lovely weekend and were made to feel most welcome. Congratulations to the Netball Team who came 2nd in the Saturday morning tournament, beating the L4 and U4 B teams.

Remove Hockey v Beechwood

Congratulations also to the Remove Hockey Team who played really well to win their match against Beechwood B Team. They scored lots of goals and showed a real improvement in their skills. Junior House Hockey (R - U4) will take place on Friday 2nd March from 9 - 11am on the FL and MF pitches - remember gumshields!

House Gym and Dance Competition

Well done to everyone who has been practising for the house Gym and Dance Competition, always a highlight of the Lent Term. This will take place on Thursday 9th February.

Homework

Please remember that the girls should have a parental signature in their diary each week. If you have any concerns about your daughter's homework, do contact either the subject teacher, the form tutor or me.

*Best wishes
Mrs Henderson*
