

31st May 2019

Dear Parent(s)/Guardian(s)

Alternative Curriculum Week (ACW) Friday 28 June to Wednesday 03 July

Please see below for an outline of the ACW programme for the Lower Sixth. More detailed information will be sent in due course, but I wanted to give you a broad idea of what we are planning.

Friday 28 June

Some girls will be away on the joint EC/LC universities visit. We are working together with the remaining girls to devise a programme of activities for the day based on their input.

Monday 01 July

EPQ/Diploma Day

All girls are required to attend College and to bring their internet-enabled device. The girls will be updating their diploma records and planning for next year. There will also be sessions on report-writing and presentation requirements.

Tuesday 02 July

Prefect training & Life Skills

The prefect team will attend a day of activities together with their counterparts from Elizabeth College. Miss Clements has organised a programme of Life Skills for those not attending prefect training.

Wednesday 03 July

Day in Herm

An opportunity to spend time together and relax, with an opportunity for supervised sea swimming. Cost £10 (please bring with you on the day and a packed lunch will be required).

Yours sincerely,

J Henderson

James Henderson
Deputy Principal (Enrichment)
