Dear Parents and Guardians

### **Music Eisteddfod – The Ladies' College entries 2023**

As usual, many of our College ensembles are performing in the Music Eisteddfod and I need to make you aware of the logistical arrangements. Please refer to the table on the attached sheet for the start times, locations, and meeting arrangements for each performance.

Some groups will meet at Beau Sejour or Capelles Church but for others we will be meeting in the music department and transport to Beau Sejour will be arranged.

I should be grateful if you would complete the form in the link <https://forms.office.com/e/JggW7ZMY5W> as soon as possible. Please note that you will be responsible for collecting your daughter after each class. I am often involved in classes *after* the College ones, and I cannot guarantee to supervise girls who have not been collected.

You should generally allow a minimum of half an hour per class, but please be aware that the start and finish times of classes can vary considerably according to the number of performances and the length of the adjudication.

Please email me at College if you have any questions about College Eisteddfod entries.

Yours sincerely,

*Anthea Roue*

Mrs Roue  
**Director of Music**
