In today's Senior School assembly, Director of Sport, Mrs Le Maitre, gave a very entertaining presentation about the upcoming Island Games, this year being hosted in Guernsey. All of the PE faculty have all competed in this competition over the years representing the island in football, swimming, athletics and badminton. Mrs Le Maitre also brought along all of her medals from the many times she represented the island.

We have many students who will be competing in this year's event in July and over the coming weeks will be sharing photos and details.
