

10<sup>th</sup> May 2023

Dear Parents,

### **Lower School Music Evening and Popular Music Evening**

I am writing to draw your attention to two evenings of music-making which will take place this term.

The first is on **Tuesday 23<sup>rd</sup> May** at St Stephens Church. The second takes place on **Tuesday 6<sup>th</sup> June** in the Green Room at The Ladies' College. Both evenings will commence at 19:00 and last approximately one hour without an interval.

Students in Remove, Lower Four and Upper Four are invited to perform pieces they have been working on individually and with their peripatetic lessons. Should they wish to perform I ask that students message me on Teams by **Friday 12<sup>th</sup> May**. The Junior Motet choir has been asked to perform on the 23<sup>rd</sup> May and the Popular Music Choir has been asked to perform on the 6<sup>th</sup> June

Uniform is required at both concerts, but all performers will sit in the audience and watch each other perform.

If your daughter is performing, we would be grateful if you could complete the appropriate form in the link provided <https://forms.office.com/e/AWiULa5RGU>. Please note that girls should arrive at the concerts by 6.30pm.

The emphasis is firmly on the pleasure of making music, and we hope these will be fun evenings for both performers and listeners alike. Please accept this invitation to watch your daughter. Members of the year group, and their families, not performing, are also warmly invited to attend.

Yours sincerely,

*Anthea Roue*

Mrs A Roue  
**Director of Music**
