

13th June 2023

Dear Parents and Guardians

Lower Five Geography fieldtrip 2023

Please be advised that we are taking the Lower Five Geography students to Moulin Huet and Vazon Bay on Tuesday the 20th of June and Thursday the 22nd of June respectively to complete Geography fieldwork. We will depart from school at 09:30 and return to school at 11:15 on both days. The students will be taken by bus to both venues and returned to school.

Students will be expected to manage their own time to include a break stop. They will be able to buy an ice cream if they bring some money or they can take a snack with them on the day.

Students should be dressed for being outdoors (mufti) with suitable footwear for walking and should bring a coat depending on the weather. They will be expected to carry their booklets and water and packed snacks that they wish to consume.

If you should have any questions about the trips please contact Ms Ace-Hopkins
sacehopkins@ladiescollege.ac.gg

Yours sincerely,

Serena Ace-Hopkins
