#InspireInclusion

This week we consider:

International Women's Day

Facebook pictures of the week:

Our Wellbeing Ambassadors led the way in their recent assembly!

Our team showcased their dedication to inclusivity by actively gathering feedback from students across all ages in the lower school, ranging from Remove to Upper Four.

With the use of this feedback they will craft an action plan aimed at enriching the well-being of our students throughout the College.

This effort sets the stage for positive change and growth within the school. Well done to our Wellbeing Ambassadors for your integrity and leadership in establishing this initiative!
