

# What **£1** a day does **£1** get you?

A small cup  
of coffee?

A slice  
of cake?

... or the opportunity to be part of the legacy of the outstanding education being provided here for your daughter and future generations.

Contribute, from as little as £1 a day, to make a difference.

£30 a month over 5 years raises £1,800 towards our Phase 3 target.

Continue to donate to the College's 'A Gift For Learning' fund in easy instalments, and at a rate to suit your budget.

Complete the **STANDING ORDER GIFT FORM** on our website.

To keep abreast of the total pledges to date please visit our website and Facebook page, which are host to all the latest news from the College and the Phase 3 campaign activities and events.

# CAMPAIGN UPDATE

Spring 2017

I am delighted to have the opportunity to update you on our fundraising progress. I hope to welcome many of you to College on the 2nd June 2017, to thank all who have supported the 'A Gift for Learning' Phase 3 campaign.

The response we have had from students, parents, alumnae and friends of the College has been incredible and represents such terrific support to the College in providing a first rate education for girls in Guernsey.

As an "old Girl" myself, who moved with the school to the current site and benefitted from being in what was a new building at the time, I am amazed at the 21st Century transformation from old to new. With the development of the Leaf Centre in 2011, the Art and Drama block in 2012 and The Wessex Wing in 2016, the College now has fantastic buildings to complement the hard work and achievements of the whole College community.

Whilst building can present challenges and disruption, the Senior School and Sixth Form Inspection, which took place shortly after The Wessex Wing opened at the start of the academic year, achieved exceptional results. As Chair of Governors, to me, that makes all that happened to complete the building even more impressive.

It seems hard to believe that the transformation took only one school year to complete, yet each and every corner is well-used. It has provided much needed space and the chance to develop all that makes a good education and a safe and pleasant working environment. I am sure that the girls will enjoy and continue to benefit from all that The Ladies' College has to offer. Once again, please accept my sincere thanks for contributions made to date.

**Kate Richards**  
Chairman of the Board of Governors

A Gift for Learning ... Phase 3

*Why don't you turn  
your next social event  
into a fundraiser?*

... A brunch with the girls ...  
Curry evening with your mates...  
A picnic on the beach with your class..  
Or something completely original to  
gather people together

All you have to do is ask everyone  
who attends to contribute to the  
event between £10 - £20, and pledge  
to host another event to keep the flow  
of events going.

visit our website**

Since our last Campaign Newsletter in November 2016 we have been busy in College raising the profile of the 'A Gift for Learning' Phase 3 campaign, as well as making good use of the new facilities.

We launched Friends, Food and Fund in February to the whole school community, to encourage parents to host social events, and fundraise for the College at the same time. This will continue even as Phase 3 comes to an end in July.

Strictly Come College Dancing held in March was an exciting event with colleagues from all areas of the College represented. We held two sold-out performances which parents and students thoroughly enjoyed watching. Over £3,000 was raised from this event which was held in conjunction with Red Nose Day.

The College continues to work closely with the PTA and The Ladies' College Guild who are very busy raising funds generally for the College, and hold multiple events throughout the year. Our website and Facebook pages are the places to look for further details.

With Phase 3 officially coming to a close at the end of the Trinity term, we are delighted to announce that the legacy of this campaign has been the creation of new role in College, Head of Development and External Relations. A Gift for Learning will continue to be the platform for fundraising and the role will support the PTA and Guild, as well as maintain and improve events and marketing within College and the local community.
