WAR

It doesn't look like War
 Unless you examine it closely
 With your glasses on
 Drawing your finger over the cracks
 In the friendship.
 We were a pair
 A team of two
 Until she took you
 Away -
 Swooped down and grabbed you
 Like an eagle diving for fish
 At the edge of the ocean.
 I never thought that would happen.
 I thought friends forever meant just that:
 For ever and ever and ever.
 Now I know it means
 Until.
 Until someone better comes along,
 Until the conductor swipes her baton
 Chooses you, not me, and
 Ends our Symphony.
