

30<sup>th</sup> April 2018

Dear Parent(s)/Guardian(s)

### Lower Sixth Examinations

The Lower Sixth will have examinations which will commence on **Wednesday 30th May** and finish on **Friday 8th June**. During this period, students are on study leave and therefore need to read the enclosed timetable carefully, to ensure they are in the right place at the right time. Students will receive an individual copy this week with details of exam location(s). Provision will be made for students to revise at college, should they prefer, and should your daughter opt to revise in school, she must sign in at Reception on her arrival and sign out as she leaves the school premises so that we know when she is on site for Fire Regulation purposes. Those students with clashes will be supervised between the end of one exam in the morning and the start of the following exam in the afternoon, so should be prepared to bring in lunch and revision materials.

I have stressed the importance of these examinations to the girls, as they will assist staff in setting target grades for UCAS and give an excellent opportunity to consolidate information from the year.

### University Admissions Tests

These are all scheduled for 31st October 2018, during half-term. This is for all aptitude tests for Oxford & Cambridge, the general University entrance test for Maths, LNAT (Law) and BMAT (Medicine). These dates are set externally and we cannot alter them. The advice is not to book any holidays until after this date during October half term if your daughter is looking at sitting any of these exams. More information will follow on arrangements for these later.

Yours sincerely,

Emma Clements  
**Head of Sixth Form**

<b>Lower Sixth Summer Exams 30th May to 8th June</b>				
	<b>Morning 0830 start</b>	<b>Afternoon 1330 start</b>	<b>Key:</b>	
<b>Wednesday 30th May</b>	Music (2:30)	Ancient History 1 (90 mins)	EC Exam	
			LC Exam
