

12th June 2018

Dear Parent(s)/Guardian(s)

International Women in Engineering Event - Friday 22 June 2018

We are writing to let you know that students in Upper Four will be attending the International Woman in Engineering event run by the College of Further Education at the Les Ozouets site.

We will be walking down to the site for a 09:15 start and will return to school by 15:00. Lunch is included as part of the day. We will note any dietary requirements of which the College is already aware. Should there be any change, please alert both myself and the College office.

Your daughter will take part in a variety of engineering challenges as well as attending talks about careers in engineering.

Please can you ensure that your daughter has the following items for the day:

- A bottle of water
- Snack
- Earphones
- A mobile phone
- Appropriate clothing in case of rain

Over 250 girls from every school on the island will be attending and it promises to be an exciting and creative event. We will be walking to and from the event during curriculum time.

If you have any queries about this event, please do not hesitate to contact me at College fbarclay@ladiescollege.ac.gg

Yours sincerely

Miss F Barclay
Teacher of Chemistry
