

20th September 2018

Dear Parent(s)/Guardian(s)

Inflatable Planetarium Tuesday 9th October

On Tuesday 9th October, we have the Explorerdome www.explorerdome.co.uk visiting College. I have arranged for all Melrose and Lower Four to experience this planetarium. Unfortunately, there are not quite enough hours in the school day to fit all the sessions in. I am therefore proposing to hold a 45-minute session in Melrose hall for Lower Four X from 15:30 16:15 on this day. Whilst this session is not compulsory, the information covered enhances the Physics astronomy curriculum in a very visual and kinaesthetic way and if your daughter is able to attend, she will find the session very informative.

We will assume you are happy for your daughter to stay at College for an extra 15 minutes unless you indicate otherwise, in which case please contact me via email kmarshall@ladiescollege.ac.gg

Yours sincerely,

Dr. K. Marshall
Head of Science
