We write to invite you to, and provide further detail on, our forthcoming Curriculum Evening for parents. The format for the evening will be:

- A talk on e-safety by Mr Beasley
- Mr Roughsedge will provide an overview on how your daughter can embed higher order thinking skills into her learning.
- Mrs Gribbens will share with you how Mathematics is taught within the College, including the importance of reading
- Ms Coubrough-Barnett will provide information on Learning Support and exams access arrangements
- Mr Barnes will finish off the evening by looking ahead at the curriculum and choices you and your daughters will have as they move up through the College

We look forward to welcoming you to the College and, as always, please do not hesitate to make contact if you have any queries or concerns.

Yours sincerely,
