Beau Sejour

Theme for the week:

People who help us

"No one has ever become poor by giving."

Anne Frank

Facebook pictures of the week

We were honoured to welcome internationally renowned physicist Dame Jocelyn Bell Burnell to College this week to open our new physics lab, named J-Lab. She spent time talking to the students about her life, work and promoting girls in science. Her address to the sixth formers on Monday evening expanded the idea that we are the stuff stars are made of.

Communications sent home this week

- 25/01 Ski Trip information
- 25/01 Lower Five DoE expedition information letter (by post)
- 23/01 Upper Five Mock Examinations TT
- 23/01 Upper Sixth Mock Examinations TT
