Dear Parent(s)/Guardian(s)

RE: IGCSE Science Revision Guides

We are buying a CGP revision guide for Biology, Chemistry and Physics IGCSE 9-1 for each student in the Lower Five. We have found these guides particularly useful to refer to as we teach the course.

Some students find it beneficial to annotate their text and highlight key facts as we go through the course, so we are offering the opportunity to purchase copies which your daughter may write in.

If you wish to purchase copies of these guides from us, then the total cost for all three sciences will be £10.00. This is a saving of over 50% of the cost of the student purchasing them individually.

Cash or cheques for this amount should be made payable to The Ladies' College and handed in to any of your daughter's Science teachers or the Science Technicians as soon as possible. Alternatively, payment can be made by BACS to:

Sort Code: 60-09-20
Account Name: The Ladies' College
Account Number: 06017614
Reference: Surname/Science

Yours sincerely,

Dr K Marshall
Head of Science

IGCSE SCIENCE REVISION GUIDES

Please return to a Science Teacher or the Science Technicians

Daughter's Name:.....

Science Set:.....

I would like to purchase for my daughter the guides and enclose a cheque for £10

I would like to purchase for my daughter the guides and enclose £10 cash

I would like to purchase for my daughter the guides and have paid £10 by BACS
reference paid on date
