Dear Parent(s)/Guardian(s)

RE: IGCSE Science Exam Practice Workbooks

This year we are buying sufficient CGP Exam Practice Workbooks for Biology, Chemistry and Physics IGCSE 9-1 for each student in the Upper Five to purchase at a discounted price. Last year U5 found these books very useful, including use in lesson time for revision; the majority purchased them at full price themselves.

If you wish to purchase copies of these workbooks from us, then the total cost for all three sciences will be £10.00. This is a saving of over 50% of the cost of the student purchasing them individually.

Cash or cheques for this amount should be made payable to The Ladies' College and handed in to any of your daughter's Science teachers or the Science Technicians as soon as possible. Alternatively, payment can be made by BACS to:

Sort Code: 60-09-20

Account Name: The Ladies' College

Account Number: 06017614

Reference: Surname/Science

Yours sincerely,

Dr K Marshall
