

25 September 2019

Dear Parents and Guardians of Senior School and Sixth Form students

**Guernsey Climate Strike – Friday 27 September 2019**

We have been made aware of arrangements locally for individuals to participate in a Guernsey Climate Strike march which will start at the Grammar School, travel to the Royal Court (to handover a petition) before returning to the Grammar School. We understand the march begins from Grammar at 12:20 this Friday and is expected to get to the Royal Court at 12:45.

The Ladies' College is happy to support those students who wish to participate in the march and ask that parents follow the guidance below to ensure we are aware of those leaving the site for this purpose.

Parents are asked to contact Reception on [reception@ladiescollege.ac.gg](mailto:reception@ladiescollege.ac.gg) prior to Friday to provide permission for their daughter/s attendance. Students are authorised to leave site **no earlier than 12:00**.

**Senior School students**

Students should be collected from either Brock Road or Rocquettes Lane entrances and taken to join the march.

**Sixth Form**

Our Sixth Form students already have the facility to sign out, should they choose to participate and make their own way to join the march.

All students are expected to be back in College in time for afternoon registration and are asked to ensure that they sign in and out of Reception on the day.

Yours sincerely

Dr. V. Mitchell  
**Deputy Principal (Pastoral)**
