

8th October 2019

Dear Parents and Guardians,

Please find below the link to the recent Lower School Curriculum Evening presentation:

<https://www.ladiescollege.com/media/108099/ks3-curriculum-evening-2019.pdf>

The next order Window for the Microsoft Go or Pro managed device is now open and will close on 31st October. These are the recommended learning devices for all students and will become compulsory from September 2021 at the latest, with a rolling program prior to this.

Please see the information on the website

<https://www.ladiescollege.com/information/bring-your-own-device> and particularly the Digital Strategy presentation. Note that CCS Media have held the prices for this second order however have informed us that prices will rise in mid-November!

Devices will be built and available prior to the end of term i.e. ready for Santa deliveries. The devices can be ordered using the order form on your Parent Portal launchpad or via the direct link:
