Dear Parents and Guardians of Senior School and Sixth Form students

Wellbeing Award for Schools award

You will be aware from previous correspondence that the Senior School and Sixth Form at The Ladies' College is now working on the Wellbeing Award for Schools.

This award was successfully piloted and achieved in Melrose in 2018-2019 and is designed to support the College's development of wellbeing, with contributions and support from students, teachers/employees and parents. Thank you if you completed the questionnaire sent by Dr Mitchell last term.

If you are interested in joining a working group who will discuss and inform how we develop wellbeing for your children in College, linked to the questionnaire feedback, then please do come along to meet and explore what you believe become sensible developments or actions, which help us to keep wellbeing at the core of the work that we do here.

I appreciate that the timing of meetings can be a challenge and suggest the following options for the first meeting (duration of no more than 1 hour) at College:

Tuesday 11 February 2020 - at 16:00; 17:00, 18:00 or 19:00

Tuesday 25 February 2020 - at 16:00; 17:00, 18:00 or 19:00

Saturday 29 February 2020 – at 10:00 or 11:00.

Please do let me know if you would like to join the group (via email to principalspa@ladiescollege.ac.gg) and which times might work for you.

We will schedule the first meeting at the time when most who are keen to help are available and thank you for your consideration of this opportunity to support both your daughter and the College.

Yours sincerely

Ashley Clancy
Principal
