Facebook picture of the week

Holocaust Memorial Day, with the theme #StandTogether was marked in College in assembly on Monday including a reading by Upper Four X of the powerful poem by Pastor Niemoller, "First they Came For..."

The Ladies' College was also represented at the Bailiwick's Holocaust Memorial Day commemorations. Rosie, Bex and Lily attended the ceremony with Mrs Henderson and Miss Alston at the White Rock, paying tribute to those who suffered and died under the Nazi regime. The Senior Motet Choir joined them all at the Town Church singing 'Unter dayne vayse shtern'.

The piece of art created by our students is being unveiled in London in a ceremony broadcast on BBC2.

This flame, and all the others, can be viewed in this interactive gallery <https://www.hmd.org.uk/75-memorial-flames/>
