This presentation is aimed at potential applicants for places at Oxford and Cambridge universities. It will take place in Room 16 with Mr Barnes, Director of Studies.

Medical and Veterinary Science presentation

This presentation is aimed at potential applicants for reading either Medicine or Veterinary Science. It will take place in Room 17 with Dr Marshall, Head of Science.

Both presentations will take place at 1730, should you be considering reading Medicine at Oxbridge we would suggest that you attend the Medical and Veterinary Science presentation and speak separately to Mr Barnes.
