

2nd March 2020

Dear Parents and Guardians,

The Upper Sixth Drama students are currently preparing for their Component 2 examination, the practical element of which is to be assessed by an outside examiner on **18th March**. Together with the written element of this work, this Component is worth 40% of the students' overall grade in this subject.

In final preparation for their practical examination, the Drama Department would like the students to perform their pieces (two, each of just under 15minutes long) to an invited audience of family, friends and teachers at The Ladies' College Drama studio at 6pm on **Monday 16th March**.

If you are happy for your son or daughter to take part in the performance on 16th March, please indicate this on the slip below.

It would also be a wonderful opportunity to support the students and celebrate in all the work they have done on their course, the final practical element of which will be performed on the night. I do hope you will be able attend; please also indicate this on the slip below and return no later than 9th March.

Kind regards,

Maggie King
