

5th May 2020

Dear Parents/Guardians,

Remove Residential Trip 29th June – 1st July 2020

Due to the ongoing COVID-19 virus, it is with regret that we have made the decision to cancel the Herm Residential Trip in June.

We had booked to stay at the *Seagull Campsite* in their equipped 6-person tents. Even if we have moved into subsequent phases of the lockdown process, we feel that six girls sharing a tent, from six different households, would not be prudent at this time.

Thank you to those who paid a non-refundable deposit of £35, a portion of which was paid to Herm Island back in January. As you may be aware from their announcement, they will not be making any refunds. However, as their deposit was only a portion of the deposit amount paid, I will be arranging for a refund of the remaining balance. This will be made in due course.

As a Remove Pastoral team, we are disappointed that we are unable to celebrate the end of Remove as we planned and enjoy this time with the girls on a residential trip this year as we know that they would have benefited a great deal from this experience. However, I am sure that they will have plenty of other opportunities to engage in a school trip at The Ladies' College in the future.

Should you have any questions, please do not hesitate to email lcory@ladiescollege.ac.gg

Yours sincerely,

Lou Cory
