### COVID-19 Coronavirus Information

Subject to any updated guidance from Public Health, we intend to return to College in September continuing to adhere to the best practice outlined below:

- Thorough and regular hand washing, not touching the face and coughing into the arm are now accepted practice, in addition to “catch it, bin it, kill it”.
- Anyone who has **recently developed** respiratory/flu-like symptoms (cough, sore throat, running or blocked nose, muscle pain, headache, fatigue or a fever, loss of taste/smell or shortness of breath), no matter how mild, should not attend school. This applies to all colleagues and all students. **A minimum of 48 hours after all symptoms have cleared should be observed before returning to school.**

Please visit: <https://covid19.gov.gg/>

We will continue to share information and updates as these are made available to us
