Theme for the month:

Our College Values

This week we consider:

To create . . .

Picture of the week: Swimming in the Triathlon

In Thursday's assembly we had a visit from Adrian Harbour of Sarnia Jiu Jitsu. Any students interested in finding out more please [click here to view the poster](#).

How do I keep up to date with what is happening in College?

- A newsletter is sent weekly via email and on the Parent Hub app, which includes dates from the calendar for the following two weeks, to help your planning.
- Letters which have been sent out during that week are also listed and these can be found in your Parent Hub app and on the website.
- The College website (www.ladiescollege.com) and social media apps (Facebook and Twitter) are also good sources of information.
- If you cannot find the answer to your question, please ask...we will then add it to the FAQs for other parents, if relevant to them too. Thank you!

What should I do if my child is unwell?

- Please phone Reception to leave a message or to speak to Mrs Moakes, our receptionist, to let us know that they will not attend.

If parents/ students request work to be sent home, when should we expect my child to receive this.

- We will endeavour to get this to you as quickly as we can and within 24 hours. Please be aware that the teachers are teaching throughout the day and may or may not have a window of time to process the request for you child immediately. (If your child is unwell, there is no expectation that they should be doing work!)
