

23rd September 2020

Dear Parent(s) and Guardian(s),

Curriculum Evening – Wednesday 30th September 2020
Key Stage 3 (Remove, Lower Four and Upper Four)

We write to invite you to, and provide further detail on, our forthcoming Curriculum Evening for parents.

There will be an opportunity for you to meet with your daughter's Year Co-ordinator at 1830 and the Curriculum presentations will start at 1900 in the College Hall and we plan to finish at 2000. The format for the evening will be:

- A presentation on e-safety by Mr Beasley (Head of IT and eSafety Officer)
- Mrs Le Maitre (Head of Physical Education) will talk about Physical Education and its role across the College
- Mrs Henderson (Head of History) will explain how the History curriculum is delivered with a particular focus on diversity
- Dr Marshall (Head of Science) and I will provide an overview of The Ladies' College as, we believe, a centre of excellence with regards to STEM subjects. We will also provide an update on curriculum developments and delivering a 21st Century curriculum
- Mrs Ingrouille (Head of Learning Support) will provide information on Learning Support and exams access arrangements

We do encourage all parents and guardians of students in Remove to Upper Four to attend as the subjects and topics being presented do change each year. The presentation from last year can be found on <https://www.ladiescollege.com/our-school/senior-school> and the presentation from this year will be sent out to all parents subsequently, in case you are unable to attend.

Please can you tick the options in the form below to indicate whether you will be attending in order to make sure the appropriate arrangements are in place.

We look forward to welcoming you to the College and, as always, please do not hesitate to make contact if you have any queries or concerns.

Yours sincerely

Mr Howard Barnes
Director of Studies
