Theme for the month:

Respect

This week we consider:

Respect for others

Facebook picture of the week:

We are very proud of all the students who took part in this year's 'Design an Ad' competition. The College won 31 prizes between 24 students. A special mention to Phoebe in Upper Four who won 4 prizes alone. The College won 1st place in the Best Senior School category receiving a cheque for £1000 which will be spent on something for the students.

Communications sent home this week

- 29/09 Bronze Expedition – Portlet
- 29/09 Bronze Expedition – St Peter's
- 02/10 ISC Coronavirus Parent Survey 2020 (Please see next page for more info)

COVID Guidance

Children presenting any flu-like symptoms (such as a headache, cough, cold, fever, sore throat, shortness of breath or loss of taste/smell) should remain at home until 48 hours after all symptoms have cleared.

Catch it. Bin it. Kill it.

Frequently Asked Questions

With Open Morning looming, what do you aim to provide for the young people who join College?

Our unique environment offers Guernsey girls support to develop 21st Century skills, to achieve their academic aspirations, to have fun, and to become strong and independent young adults. We are an inclusive community which works to:

Encourage each girl to grow in confidence, develop her talents to the full and value the qualities of others.

Create an environment where each girl can be happy, love learning and make lifelong friends.

Inspire each girl to be the best she can be.

We also strive to live out our motto: **“Fais ce que dois advienne que pourra”** (Do what is right, come what may). The result is that we meet the needs of each child on their educational journey.

How do you ensure that you provide a broad and relevant curriculum?

Subject experts and the pastoral team always have this in mind. We regularly review the curriculum and seek to engage the parents and students in the Senior School and Sixth Form, to help inform major changes. For example, this year we have introduced GCSE PE. Food Technology at Key Stage 3 will start soon. The Food Technology building is almost complete. The staffing and curriculum is in place to support this.

Are other GCSE or A-level subjects going to be available?

We are currently completing a Curriculum Review and will update students and parents in due course.

What is the position with the Sixth Form Partnership with Elizabeth College?

The Sixth Form Partnership between the Colleges remains unchanged and we continue to have a strong commitment to working collaboratively for the benefit of our students.

ISC Coronavirus Parent Survey 2020

I would like to invite you to participate in the ISC Coronavirus Parent Survey 2020. The survey is designed to help our school and the wider independent school sector understand what parents experienced during the COVID-19 lockdown last term.

You can access the survey online using the following link:

<https://dataportal.isc.co.uk/ParentSurvey/Welcome.aspx?SurveyID=306289> 

If the link does not work, please copy and paste it into your web browser.
