

9th October 2020

Dear Parent(s) and Guardian(s)

Sixth Form Pastoral Induction Evening

Monday 19th October 6:00pm – 7:30pm in The Leaf Centre

Miss Emma Clements, Head of Sixth Form, will host a presentation explaining the transition to the Sixth Form, our ethos and the pastoral support to assist your daughter in achieving her best, along with the many enrichment and leadership opportunities available to Sixth Form students at The Ladies' College. You will also have chance to see some of the facilities and have any questions you may have answered.

A-level Choices Evening

Wednesday 4th November 6:00pm – 8:30pm in The Ladies College Hall.

Upper Five students are exploring careers and subjects in their Citizenship lessons and will shortly have a presentation on the choices and opportunities they have available in the Sixth Form. We anticipate that they will start to have conversations with you and their teachers regarding future choices. You will shortly be sent additional information including the 'Subject Choices Handbook' which includes a timeline of the process, specific subject information and other opportunities such as the Extended Project Qualification. I would refer you to our website <https://www.ladiescollege.com/our-school/sixth-form> in the first instance and further links will be available in the presentation that will follow.

We operate a partnership at Sixth Form and the Principals of both The Ladies' College and Elizabeth College will make an introduction to the evening at 6:00pm to students at both Colleges. The Head Girl and Head Boy teams will also speak and give you their perspective and share their experiences. We do hope you are able to join us and appreciate it may be a long evening. Refreshments will be available throughout the night as well as the opportunity to speak to teachers and students at both Colleges. The last formal talk is expected to finish around 8:00pm with a further half an hour of informal discussion available in the Core. Please be aware that we have limited parking on site and that parents/guardians and students from both The Ladies' College and Elizabeth College will be present. Members of our premises team will assist with directing you to parking spaces on the night and your cooperation including allowing sufficient time and sharing transport where possible is appreciated.

Yours sincerely,

Mr Howard Barnes
Director of Studies
