Theme for the month:

Courage

This week we consider:

Remembering those who have shown courage in conflict

Facebook picture of the week:

Congratulations to our Remove netballers who continue their winning streak. Some excellent performances last night saw 19-1 and 13-1 victories for our A and B teams against St Sampson's High School.

COVID Guidance

If your daughter starts to experience any flu-like symptoms (such as fatigue, muscle ache, headache, cough, cold, fever, sore throat, shortness of breath or loss of taste/smell), no matter how mild, please contact the Clinical Helpline by calling 01481 756938 or 01481 756969. Your daughter must be kept at home whilst you seek Public Health advice and should not be sent into College. If they have a negative result for Covid-19 then they can return to College once symptoms have resolved.

Catch it. Bin it. Kill it.

Frequently Asked Questions

What are the age restrictions for social media platforms?

Net Aware is a website that provides guidance to parents about social media applications and the age restrictions of these platforms. There are several software applications available to help parents manage what students can access and download onto their device. The College network automatically filters and monitors unsuitable content, including stopping social media notifications, which is why we recommend that your daughter connects to our College wifi rather than using 4G, during the working day here.

What should my daughter do if she wants to report a concern?

We encourage your daughter to talk to her form tutor, year coordinator, or any adult in College, and ask that you reinforce this message at home. There is also a '**whisper button**' (*shown below*) which can be found on the College launch pad (RM Unify), which allows a student to report any concern, in confidence, and which will be followed-up sensitively.

Who should I speak to if I would like to discuss a concern?

The first port of call for any communication regarding your daughter is usually her Form Tutor. For further information on our referral pathways, please view our [Referral flow chart](#) (pdf) or read more about pastoral support in College [here](#).
