via Microsoft Teams

Theme for the month:

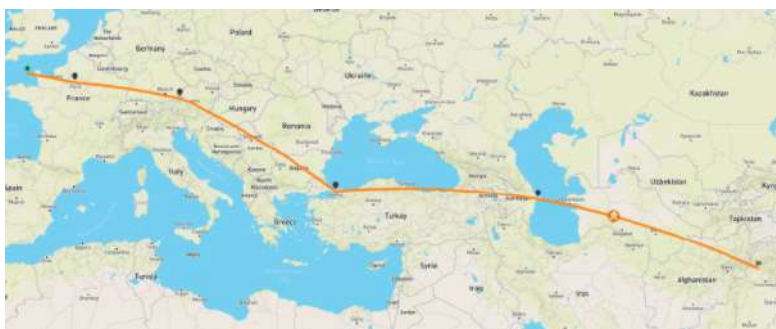

Respect

This week we consider:

Respect for learning

Facebook picture of the week:

Congratulations to everyone who has uploaded their distance to the TLC Virtual Challenge. We are doing brilliantly and have nearly reached Mingora. We have covered over 6000km, which is over 400km a day! Hopefully, this week's sunshine will motivate us to get active in the great outdoors! Keep going, everyone!

Women's NETWORKING VIRTUAL EVENT

In honour of this year's IWD #ChooseToChallenge theme, we chose to seek out and celebrate the achievements of some of our alumnae and friends of the College by asking them to comment on something they have had to challenge since their time leaving the College. Our virtual event will be a show reel released on International Women's Day.

In association with
International Women's Day
Monday 8th March 2021

Coronavirus updates - Stage 2

"I hope you are pleased to hear that we will return to College next week. We are really looking forward to seeing pupils and students face to face and thank them for their resilience, hard work and sense of fun during this second period of lockdown." Mrs Clancy

This document will provide you with details that help you and your child(ren) to prepare for their return to College next week.
