

12th March 2021

Dear Parent(s)/Guardian(s)

I would like to pass on my congratulations on behalf of the Mathematics department for your daughter's recent examination result. Particularly pleasing this year given the difficult circumstances that they have had to deal with.

It is now time to decide if your daughter wishes to continue studying Mathematics and be entered for the Higher Tier paper. Her mark cannot go down from the one that she has already achieved, but there is an opportunity to gain a higher grade on this paper. If your daughter is happy with the grade achieved and does not want to continue studying Mathematics, then she would be allowed to use this time to do other work. In this case, she would still attend the Mathematics lesson, but would work on her own at the back of the room on other subjects.

Please complete the form in the link below no later than Monday, 15th March.

Kind Regards,

Carrie Gribbens

Mrs Carrie Gribbens

Head of Mathematics
