Theme for the month:

Respect

This week we consider:

Respect for ourselves

Facebook picture of the week:

As we transition back to College, and out of lockdown, all this sudden social interaction can feel somewhat overwhelming. This week, Mrs Ogier, our College Counsellor, has been running 10-minute mindfulness sessions with all senior girls giving us all the time we need to sit quietly, process the change and reflect.

I accept the world around me and within me.

I accept where I am currently. Even though I don't like everything about my life.

I release resistance and give in to what is; so that I can make room for what could be.
