Theme for the month:

Ways of Seeing

This week we consider:

Light and Shade

Facebook picture of the week:

The College is taking part in the Bailiwick Bat Survey and a bat detector has been erected in the Trym trail next to the bat boxes (thin blue bird boxes up in the trees). It will record from Tuesday to Friday the wildlife in that area. The activity will be recorded on a special app which will provide data for the survey.

Celebration of Music

Tuesday 4 May

19.00, St Stephen's Church

All welcome

Coronavirus updates

No-one should attend school if they have any flu-like symptoms (headache, muscle aches, blocked nose) fever, sore throat, cough, sneezing, shortness of breath or loss of taste or smell. Children should not return to school until all symptoms have cleared, even if they have received a negative test result
