

3rd September 2021

Dear Parent(s)/Guardian(s)

I do hope that this letter finds you well. It seems like a distant memory that we were all at Fauxquets Valley at the end of the Trinity Term. It was a wonderful time, and it was so lovely to see the girls together in a more relaxed environment.

I am delighted to be welcoming your daughter back to The Ladies' College this September and I am looking forward to seeing them and hearing about their summertime adventures. I do hope that you have all had a wonderful and fulfilled summer and that your daughter is ready for a fresh year at school.

The beginning of Lower Five is an exciting time that will set the course towards their GCSE's. It is important that the work ethic is established early and that the focus is on learning, fulfilment, and fun. I have called the year group **Lower Five Strive** and I would encourage all girls to strive to do their best in all that they do. Please find the Lower Five Homework Timetable attached with this letter. This is the advised guide for students and teachers to work with. Please be aware that there is flexibility, and some homework arrangements may need to be adapted occasionally.

Although the focus is now shifting towards their GCSE's, there are many opportunities that The Ladies' College offer that the girls can still engage in. I would encourage them to get involved, stay active and maintain a varied and well-balanced lifestyle, whether it be in or out of school. Having time away from studying is important, healthy, and good for their general all-round wellness.

May I take this opportunity to thank you for all your ongoing support towards your daughter's time at The Ladies College, it is appreciated.

Please be aware that the start time for Lower Five on **Monday 6th September is 10:00**, student photographs will also take place on this day.

Finally, may I ask that you refresh yourselves with the correspondence that has been sent to you from the Principal, Mrs Clancy regarding the start of term arrangements and Covid/LFT advice.

Yours sincerely

B. Smith

Mrs B Smith
Lower Five Year Coordinator
