

22nd September 2021

Dear Parent(s)/Guardians

Lower Four Geography fieldtrip 2021

Please be advised that we are taking Lower Four to Fort Hommet headland on **Thursday 30th September** to complete Geography fieldwork in a coastal setting. We will depart from school at 11:15 and return to school at 14:15.

Students will not be able to buy lunch from Vistas so they need to bring sufficient food and water with them. As we do not leave until 11:15, they will have break time to purchase food from The Core.

Students should be dressed in suitable clothing, including sensible footwear for fieldwork and they should bring a coat depending on the weather. We will be outside for the entire duration of the trip so please ensure they are suitably dressed to cope with the weather conditions of the day. In the event of inclement weather, we are likely to still go; however a decision will be made on the day. If students have a clipboard at home, it would be very helpful to bring it too.

If you have any questions about the trip please contact Ms Ace-Hopkins sacehopkins@ladiescollege.ac.gg or Mr McGovern tmcgovern@ladiescollege.ac.gg

Yours sincerely,

Serena Ace-Hopkins

Ms Ace-Hopkins
Head of Geography
