Theme for the month:

Respect

This week we consider:

Respect for the Environment

Facebook pictures of the week:

In the History Department at The Ladies' College we are trying to encourage our students to think like historians, whose job is to review, reappraise and revise how we understand a complex past. #BlackHistoryMonth is an important reminder that some voices, of Black Britons or immigrant communities or Caribbean and African nations, have not always been heard in our curriculum.

LFT Reminder

We encourage all adults, Senior School & Sixth Form students to complete a LFT (Lateral Flow Test) twice a week (Wednesday & Sunday testing suggested)

#TLCgsy

Our busy school day is enriched by a number of lunchtime and after school co-curricular activities.

Co-curricular Activities Timetable

Catch it

Bin it

Kill it
