### PTA Annual General Meeting

**Monday 11th October**

All parents are welcome to come along and give their support – the more the merrier.

Our current Chair is standing down and there are a couple of other vacant committee posts to fill in addition to this, as well as joining the list of parent volunteers.

The PTA supports the College throughout the year at various events and also hosts social events.

### LFT Reminder

We encourage all adults, Senior School & Sixth Form students to complete a LFT (Lateral Flow Test) twice a week (Wednesday & Sunday testing suggested)
