

4th November 2021

Dear Parents and Guardians

Lower School Music Evening: Tuesday 9th November 2021

We are writing to invite you to an evening of music-making in which your daughter is participating. This concert will take place in the College Hall on **Tuesday 9th November at 19:00**.

The evening is aimed at those wishing to perform as a soloist in front of an audience, but small ensembles, Junior Choir and Junior Motet Choir will also be performing. The emphasis is firmly on the pleasure of making music, and we hope it will be a fun evening for performers and listeners alike.

We would be grateful if you could complete the reply slip below and return it to me in the Music department. Please note that girls should arrive at College no later than 18:30 and we envisage the evening will be over by approximately 20:30.

This is an informal event, but **uniform is required**. There will not be an interval and all performers will sit in the audience until they are invited to perform.

Yours sincerely,

Miss Fiona Le Tissier
Acting Director of Music
