

15th December 2021

Dear Parent(s)/Carer(s)

We have come to the end of a long term full of activity and outstanding performances in both the academic and co-curricular arenas. We have been pleased by the progress and commitment the students have displayed as they have adjusted to life in the Sixth Form. It has been a pleasure to hear updates from the Young Enterprise teams and the Moot competition. Next term brings more exciting opportunities, namely IOD Leadership Shadowing, preparing for Work Experience and the third block in the new Sixth Form PE programme, 'Healthy Body, Healthy Mind' in which we will offer a range of activities including indoor tennis/paddle.

Dates for your diary

During the first half of the Lent term, Lower Sixth students take mid-term assessments (MTAs) during lessons. The students have been issued a copy of their MTA timetable and I have also attached a copy for your reference. MTA results will be posted on the Parent Portal shortly before the **parents' evening on 2nd March**.
