Theme for the month:

Resilience

This week we consider:

When bad things happen to good people

Facebook pictures of the week:

The Ladies' College Drama department are delighted to announce that their production of 'Fame' is still going strong and the cast met together for the first time this year on Sunday. Trying to limit rehearsals and contact between 'bubbles', the cast will only have one more rehearsal this coming Sunday before we're in the theatre, so it's all hands on deck!

There are still a very small number of tickets left for the performances, which run Tuesday 25 - Thursday 27 January inclusive at 19.00. Tickets can be booked online at www.guernseytickets.gg
