Welcome to the Cashless Card facility that enables you to purchase food in our College refectory, The Core.

To activate your daughter's card, you need to complete the Cashless Card Application Form and transfer sufficient fund to the account details specified. All information on how this works is detailed on this flyer.

If you have any additional questions or queries, please do not hesitate to get in touch with the Bursar's Office.

FREQUENTLY ASKED QUESTIONS

How can I check the balance on my child's card?

Each time a student visits The Core, they will receive a receipt. At the bottom of the receipt it shows the opening cash balance and closing cash balance which is available to spend.

How much money should I put on my child's card?

The amount to be loaded the card can be any amount you wish but we would ask that it is in multiples of £10. As a guide, a main meal is currently £3.50 with a sweet or fruit option at £1.20. Break time snacks can cost between £1.10 and £1.60 and drinks range between 65p and £1.50. If you are looking to add sufficient for a term or half-term, the Michaelmas Term is approximately 13 weeks long, the Lent Term 12 weeks and the Trinity Term 11 weeks.

Can I control the daily spend on the card?

Yes – Please complete the new card and spending limit application form choosing a daily spend of £7.70 or an unlimited amount.

What if I forgot to top up the card and my child runs out of credit?

Each card has an overdraft facility up to a maximum of £15.00. This allows your child to continue purchasing their lunch whilst the card is being topped up. However, once the overdraft limit is reached the card is automatically disabled until it is topped up. We do request that the card is topped up immediately and not left to go into the overdraft facility.

My daughter often loses things. What if she loses her card?

If a student loses their card, they should immediately notify the College Bursar's Office who will put a stop on the card. The College Bursar's Office will issue them a replacement card and transfer the balance to the new card. Mislaid cards are replaced free of charge the first time, but a charge of £5 is made thereafter to cover the costs of the replacement card.

Can my daughter's card be used by another student if it is lost?

As soon as the College Bursar's Office is informed of a lost card, a stop is put on that card.

What happens when my child leaves school at the end of the year?

The balance on the card should be run down as much as possible. If a balance remains on the card a refund cheque is issued. An invoice will be raised for any overdraft balances.

Can my daughter use cash to purchase her meals?

Cash can be used to top up a card at the College Bursar's Office. Cash is no longer accepted within The Core.
