Theme for the month:

Knowledge

This week we consider:

Science Week

Facebook pictures of the week:

A group of students from Upper Five staged a fundraising event on Friday to raise money for their end of year Prom. Over £400 was raised by their car washing efforts.

Isabella, one of the event organisers was very impressed with the turn out, "Thank you very much to everyone who came and supported the Upper Fifth prom fundraising car wash! We are delighted with how much money we managed to raise and furthermore we were so pleased to see how generous everyone was!"

Well done, girls!

We encourage all adults, Senior School & Sixth Form students to:

- **Complete a LFT (Lateral Flow Test) daily** (also on Saturdays and Sundays if attending College)
- **Wear a face covering when moving around corridors** (Face coverings are strongly recommended on buses)

Catch it. Bin it. Kill it.
