Theme for the month:

Knowledge

This week we consider:

Are knowledge & understanding synonymous?

Facebook pictures of the week:

As part of Chinese New Year, students across the College have been learning more about this tradition.

Upper Four students who are part of the Virtual Reality club paid a visit to China and explored some of the sights, events and cities.

The students also made decorations using red wool to symbolise luck, joy, and happiness, and re-using the plastic sticks from LFTs to keep our focus on how we can reduce our environmental impact!

Lower down the school, the Pre-Preparatory Department celebrated Chinese New Year. They cooked noodles to eat, had a noodle sensory tray with a chop stick challenge, and made a dragon, for a good luck New Year dragon dance.

Happy Year of the Tiger, everyone!

We encourage all adults, Senior School & Sixth Form students to:

- **Complete a LFT (Lateral Flow Test) daily** (also on Saturdays and Sundays if attending College)
- **Wear a face covering when moving around corridors** (Face coverings are strongly recommended on buses)

Catch it. Bin it. Kill it.
