Dear Parents and Guardians of current Lower Five,

**Re: IGCSE English set texts**

As you may be aware, your daughter will begin studying her IGCSE examination set texts over the summer.

The students find it extremely beneficial to annotate their 'Of Mice and Men' texts while studying in class which means we are unable to use the books again. We are offering you the opportunity to purchase copies which your daughter may then write in which is their preferred way of working.

If you would prefer **not** to do this, your daughter must ensure the texts are **not** written on and are **returned** to the English department at the end of her IGCSE course.

If you wish to purchase copies of these texts, the total cost for this will be £7.00. The accompanying Study Guide is provided free of charge. I would be grateful if you could provide payment as follows via BACS to the College's account:

Sort Code: 60-09-20  
Account Name: The Ladies' College  
Account Number: 06017614  
Reference: Surname, book

Please ensure you complete the form (link below) to indicate your preferred option:
