

23 June 2022

Dear Parents and Guardians,

I hope that your daughter is looking forward to her Alternative Curriculum Week, even if it is not quite to the place where we were expecting to go!

Please find attached the final Upper 4 itinerary for our trip to Sark. We are camping at Pomme de Chein and hiring bicycles for traveling to and from the campsite. Weather dependent, we will be joined at the campsite on Monday night by members of the Sark Astronomy Society who will hopefully show us the best of what Sark's Dark Sky Island status has to offer. Tuesday will be our most active and fun-packed day with sea based activities provided by Outdoor Guernsey in the morning and sea swimming in the afternoon at Dixcart Bay. In the evening we will have a yoga and qigong session to help unwind and relax. We will return to Guernsey on Wednesday morning and your daughter can be picked up from college from 15:30.

A return of some funds will be made should the cost of this trip and activities be less than what we requested for the cancelled trip to Alderney.

The kit list that was sent out earlier this week still stands with the addition of a Core Card so your daughter can buy lunch at College on Wednesday.

We look forward to seeing your daughter at the inter-island quay at 8:00am on Monday. Please arrive promptly so we can get luggage labelled before departure.

Kind regards,

*Tom McGovern*

Mr T. McGovern
