

Bursaries

The Ladies' College
Guernsey

What is a bursary?

Bursaries are a form of financial assistance the College can offer families to help them meet the cost of school fees in our Senior School.

Bursaries are not academic scholarships, instead they are offered based on need and the contribution a young person can make to the life of the College. They can be awarded for those entering the Senior School (Year 7) and those entering Sixth Form (Year 12).

Is my child eligible?

Our bursaries are means tested; the level of assistance is dependent on the circumstances of the student's household. They are designed to help students who would both benefit from the College's education but will also contribute to the life and culture of the school. We can offer full bursaries that can cover 100% of the fees, but the majority of awards made cover a percentage of tuition fees.

As a guide, a household in receipt of an income of up to £70,000 may be eligible to be considered for a bursary. All applications are reviewed on an individual basis. In some cases, home visits are made to ensure all relevant information for both the College and parents has been obtained and provided.

Bursaries are usually made for the full period that a student is at the College. They are reviewed annually but are unlikely to change if the household's financial circumstances have not materially changed.

All students applying to join the Senior School at Year 7, including those applying for a bursary are required to meet the entry requirements of the College's Entrance Assessment. Students wishing to join the Sixth Form will be required to meet the entry requirements for the Sixth Form and will be asked for interview.

How do I apply?

If you wish to apply for a bursary, please submit a completed **Bursary Registration Form** to our Registrar, Miss Rosalyn McClean
registrar@ladiescollege.ac.gg

tlcgsy.gg/BRF

If you have not already done so, you should also submit a completed **Registration Form** to register your child for assessment to enter the College.
