

3rd October 2022

Dear Parents and Guardians of students in Upper Five

License to Kill Presentation

Upper 5 students have been invited to attend the annual 'License to Kill' road safety presentation on Tuesday 11th October. A letter from Gavin Robins of Guernsey Fire and Rescue is attached which provides further details on the initiative.

We will leave The Ladies' College at 12.45pm and walk to The Princess Royal Performing Arts Centre to attend the presentation from 1.15pm to 2.15pm. Following the presentation, we will walk back to College and return to lessons.

As outlined in the attached letter, 'License to Kill' is a hard-hitting presentation, which some students may find upsetting, but the value of the message makes it an important event within our PSHCE programme.

Should you wish to withdraw your daughter from the presentation, you can do so via e-mail at ejohnson@ladiescollege.ac.gg and arrangements will be made for her to stay in school.

Yours sincerely,

E C Johnson

Miss E. Johnson
Head of PSHCE
