This week we consider:

Reap What You Sow

Facebook picture of the week:

This week is Bike to School Week #bikeability and lots of our staff and students are getting involved.

The Removes were given the opportunity to build their cycling confidence in one of their PE lessons, with Mrs Le Maitre. Alex Costen from the The Health Improvement Commission for Guernsey and Alderney LBG came along to help run the session, which included navigating the junctions and hills around the site.

Sixth Former, Robyn Surcombe, is actively involved in this initiative as she is doing an Extended Project Qualification researching and promoting active travel.

AGM & PTA Meeting

Monday 10 October, 18.30 - 20.00 in the Core

All parents welcome, new recruits for the committee are needed
