7th October 2022

Dear Parents and Guardians of students in Lower 4,

Please be advised that we are taking Lower 4 to Fort Hommet headland on Thursday 13th October to complete Geography fieldwork in a coastal setting. We will depart from school at 09:30 and return to school at 13:00.

Students will not be able to buy lunch from Vistas so they need to bring sufficient food and water with them. As we will be returning in time for lunch they will have access to the canteen. It may be worth them bringing in a packed lunch for the day in case there is a delay in our return.

Students should be dressed in suitable clothing (mufti), including sensible footwear for field work and they should bring a coat. We will be outside for the entire duration of the trip so please ensure they are suitably dressed to cope with the weather conditions of the day. In the event of inclement weather we are likely to still go, however a decision will be made on the day.

If you should have any questions about the trip please contact Ms Ace-Hopkins (sacehopkins@ladiescollege.ac.gg) or Mr McGovern (tmcgovern@ladiescollege.ac.gg).

Yours sincerely,

Serena Ace-Hopkins

Ms S. Ace-Hopkins
Head of Geography
