

3rd November 2022

Dear Parents and Guardians

LOWER FIVE - Curriculum Evening

Wednesday 9th November 2022, refreshments from 5:00pm and presentations to start at 5:30pm.

We write to invite you and your daughters to our forthcoming Lower Five Curriculum Evening. The format for the evening will be:

- Mr Barnes will discuss the YELLIS tests that were taken by your daughters at the start of the academic year, the chances graphs produced and how these are used to support your daughter's learning. Students will have individual meetings the following day with Tutors to discuss these.
- Miss Johnson will give an overview of Personal, Social, Health, Citizenship and Economic Education
- Mr Beasley will provide an update on e-safety
- Mrs Ingrouille will provide information on Learning Support and exams access arrangements
- Mr McGovern, Lower Five-Year Coordinator, will conclude the evening

We would strongly encourage you and your daughter to attend if possible. The presentations will take place in the College Hall, starting at **5:30pm**, with an opportunity from 5.00 p.m. to socialise and meet representatives of the Senior Leadership Team, Year Coordinator, Tutors, and other colleagues. The presentations will last around one hour in total. Your daughter may remain in College from the end of the College day and supervision will be in place – we will discuss the arrangements with the students prior to the evening.

We look forward to welcoming you to the College and, as always, please do not hesitate to make contact if you have any queries or concerns.

Yours sincerely,

Howard Barnes

Mr Howard Barnes

Director of Studies
